**Welcome to MobileMe**

The following Terms of Service ("TOS") are between you and Apple and constitute a legal agreement that governs your use of the MobileMe product, software, services and websites (collectively referred to as the “Service”). You must agree to these TOS before you can use the Service. You can agree to these TOS by: a) actually using the Service, or b) clicking a box that indicates you agree to the Service, where such a box is made available to you. If you do not agree to any of the following terms, please do not use the Service. You should print or otherwise save a copy of these TOS for your records. "Apple" as used herein means Apple Inc., located at 1 Infinite Loop, Cupertino, California and, where applicable, Apple Sales International, Hollyhill, Cork, Ireland.

**Legal Authority**

To use and/or register for the Service you must: a) of legal age to form a binding contract with Apple, and b) cannot be a person barred from receiving the Service under the laws of the United States or other applicable jurisdiction, including the country in which you reside or from where you use the Service. By accepting these TOS you represent that you understand and agree to the foregoing. If you are under the required legal age, but at least 13 years old, you may still use the Service (subject to applicable local law), but only if the account you are using was created and registered by your parent or legal guardian (see Section 3 below for further details).

How to Locate Your iPad

**Step 1:**
Open your internet browser to [http://www.me.com](http://www.me.com).

**Step 2:**
Type in the same Apple ID username and password that you used in the previous section of this guide.

Then click **Sign In**.

**Step 3:**
It may take the system a few minutes to locate your iPad.

Once your iPad has been located, it will appear on a Google map.

To view more options, click on the right arrow icon (>) next to the iPad name.
### Processing Steps

| Step 4: |
| You now have several options for your iPad: |

- **Display Message**: will display a message on your iPad’s screen (i.e. “Please call 657-278-xxxx if you have found this iPad.”)
- **Play Sound**: will have your iPad start playing a sound so you can locate it by following the sound.
- **Lock**: will remotely lock your iPad.
- **Wipe**: will wipe all data from your iPad.

You may use either the Find My iPad Wipe feature or the Remote Wipe option in your Outlook Web Access account to wipe data on your iPad. A guide to using the Remote Wipe option may be found at [http://m.fullerton.edu/ipad](http://m.fullerton.edu/ipad).
